

## Introduction to Pursan

# UNICORN GROUP

Unicorn Group, owners of Pursan Hand Sanitiser, are a manufacturing company based in Northern Ireland. With a diverse portfolio of market leading brands across different industries, Unicorn Group serves customers worldwide in industrial, commercial and residential markets. Established for over 10 years, Pursan Hand Sanitiser is a trusted and highly reputable brand and we pride ourselves on producing a UK made ISO & EN certified high quality, value for money product.

Pursan is used in many different markets, including education, corporate, manufacturing, hospitality, retail and healthcare. Available in a range of sizes, Pursan Hand Sanitiser comes in handy pocket size bottles for personal use to larger bulk sizes ideal for trade or business use.

The Pursan range includes a **70% alcohol based hand sanitiser**, a **multi surface cleaner** and **liquid hand wash**.

Manufactured in NI to ISO 9001 and ISO 14001 standards.

## Retail

### 70% Alcohol Hand Sanitiser

We offer **60ml, 100ml** and **500ml** bottles with metered atomisers or trigger sprays, which provide a measured dose to give excellent coverage across hands, **unlike gels** which tend to deliver either too little of too much. Our 100ml bottles, in particular, are **ideal for personal use** when out and about.

**1l, 2.5L** and **5L refills** available.

**100ml** size packed in **counter top display units**.

### Luxury Hand Wash

Cleanse and refresh with our Pursan® Luxury **Aqua Pura** Hand Wash. Available in **liquid** and **foaming** application.

This hint of **ocean spray** has been expertly formulated to cleanse hands whilst leaving them feeling soft and replenished.

Available in **500ml pump** bottles and **5L pump** or **screw top** refills.

### Multi Surface Cleaner

Pursan® Multi Surface Cleaner has been tested in accordance with **EN1276, EN13697** and **EN14476** accreditation and it is effective against both, **bacteria** and **viruses** including all members of the **Coronaviridae family**.

Available in a **750ml spray** bottle or a **5L refill**.

## Trade & Business use

### 70% Alcohol Hand Sanitiser

Pursan® 70% Alcohol Hand Sanitiser is **produced in Northern Ireland** to ISO 9001 and ISO 14001 standards. Pursan is made from naturally fermented alcohol with added emollients to leave hands feeling clean and fresh.

Available in **60ml, 100ml and 500ml tigger or atomiser spray** bottles. Refill sizes of **1L, 2.5L and 5L** also available.

- ✓ EFFECTIVE AGAINST **VIRUSES**
- ✓ KILLS 99.99% OF **BACTERIA**

A range of stands is available for our Pursan 70% Alcohol Hand Sanitiser. Our **free standing and pedal operated** stands are ideal for entrances to buildings while our **table top** option is perfect for use in office or school environments and it can also be wall mounted. Our **hands free dispenser** encourages people not to touch the dispenser and be able to cleanse hands in a very safe manner.

### Multi Surface Cleaner

Pursan® Multi Surface Cleaner has been tested in accordance to the certifications **EN1276, EN13697 and EN14476**, and it is effective against both, **bacteria and viruses** including **Coronavirus**

Available in a **750ml spray bottle** or a **5L refill**.

- ✓ EFFECTIVE AGAINST **VIRUSES**
- ✓ KILLS 99.99% OF **BACTERIA**

### Luxury Hand Wash

Cleanse and refresh with our Pursan® Luxury **Aqua Pura** Hand Wash. Available in **liquid and foaming** application.

This hint of **ocean spray** has been expertly formulated to cleanse hands whilst leaving them feeling soft and replenished.
