EVA, ethylene vinyl acetate copolymer with an encapsulating fragrance.		

**Purescreen is the intelligent urinal screen deodorizer system that keeps urinal hygienic and fresh for 30 days.**

Its texture has been carefully designed to prevent urinals from splashback and clogging.

Purescreen Urinal screen has been perfectly mixed with our formulations to reduce bad odours and provide a freshly fragranced environment.

Its highly flexible material fits in any urinal and avoids urine impregnation. The Purescreen can be customised with a customer logo.

### • Optimal Urinal Flow:

Clears and prevents blocked urinals by catching debris.

### • Odour Control:

Keeps urinal smelling clean and fresh for 30 days.

### • Non-hazardous:

Ethically made using our own non-hazardous formulations. No restrictions in transportation and storage.

### • Easy reminders system:

Timely maintenance is easy with our Purescreen thanks to our clock indicator system.

### • Fits all urinals:

Highly flexible, moulds to shape and protects any urinal.

### • Hygienic replacement:

Non-touch removal system to avoid skin contact. Gloves provided.

## FRAGRANCE CONSISTENCY

Our Purescreen is available in the same intense, long-lasting fragrances that we offer on our Sanair, Puresan, Puress and Microair range.
