

SCENTED ANTIMICROBIAL SANITARY BIN LINERS

The Saniliner from Unicorn Hygienics is a new sanitary bin liner with an active anti-microbial agent that eliminates up to 80% of bacteria and germs. Using advanced technology, Saniliners provide durable protection against the spread of harmful bacteria and viruses, helping to maintain a clean and hygienic environment. The fast-acting anti-microbial agent inhibits bacteria in as little as 25 minutes, whilst diffusing a fresh lemon scent to remove any unwanted odours.

FEATURES:

- Fits bin sizes up to 305mm (12") square, or 1220mm (48") circumference aperture
- Fits most sanitary bins
- White opaque film helps obscure contents for discreet removal
- Environmentally friendly
- Lemon fragrance works to help mask odours associated with sanitary waste
- Centered perforation for easy tear-off

Specifications

Length	590mm
Closed Width	615mm
Capacity	5KG
Liners per case:	10 rolls of 25 liners.

Material

- 1) White HDMDPE film.
- 2) Made from 30% recycled HDPE + Biomaster anti-microbial agent and Scentmaster lemon fragrance tested to ISO22196.
