WARRANTY

SPECIFICATIONS

Height: 245mm

Width: 95mm

Depth: 90mm

The Puress dispenser is a fully programmable, wall-mounted air freshening system designed to deliver consistent fragrance and effectively neutralise malodours in high-traffic washrooms.

The system dispenses precise, metered doses of aerosol fragrance across selectable 30, 45, 60 or 90-day service intervals, enabling operators to align spray cycles seamlessly with existing maintenance schedules.

Compatible with both 100ml and 265ml aerosol refills, it delivers up to 3,000 sprays per can. A clear countdown display indicates the time to the next spray, while flexible programming allows customised start and finish times.

FEATURES:

- Operates with 100ml or 265ml aerosol cans
- A choice of 30, 45, 60 or 90 day service intervals
- Countdown to the next spray display screen
- A programmable timer to operate only during
- A spirit level to ensure an accurate installation
- Wires are hidden to stop tampering
- Keyed or un-keyed lock
- Window for the customer's logo
