

COMPLETE WASHROOM DISPOSAL SOLUTIONS

Unicorn Hygienics offers a comprehensive range of disposal products designed for high standards of hygiene, efficiency, and sustainability.

Our slimline **Sanicare Sanitary Bin** and **Sanicare Compact** features a sleek, space-saving design and is suitable for sanitary and **male incontinence waste**, complemented by our scented **Saniliners** for added freshness. The high-capacity **Nappy Bin** provides discreet, durable disposal for family and public facilities, while the **fire-retardant Modular Disposal Bin** ensures hands-free hygiene in busy environments.

Supporting all bins, our **Germicidal Powder Sachets** help control odours and bacteria at the source.
