COIN-FREE DISPENSERS AND PRODUCTS

The Period Dignity initiative supports girls and women by ensuring free access to period products in schools, universities, workplaces, and public buildings, and can be extended to address male incontinence by providing discreet, accessible hygiene solutions for all users.

Unicorn Hygienics manufactures and supplies a range of washroom dispensers that are quick and easy to install, along with an extensive selection of products from trusted brands like Tampax, Always, and Selenei Organic available in both packed and bulk options.
