UnicornHygienics

Leading the way in innovative washroom solutions, Unicorn Hygienics recently launched their newest product: **Easivend Contactless**. Due to increasing consumer demand for cashless payment options, the **Easivend Contactless** is quickly becoming a very popular option for washroom service providers.

In addition to all the existing benefits and features of the original Multivend, our latest version is now available with a contactless payment method providing users with a quick and easy vending experience.

FEATURES:

- Cashless vending
- Access real time data
- Quicker customer transactions
- Secured vending – reduced risk of theft
- Improved customer experience
- Accepts most types of cards
- MyPOS card reader
- Available for all countries in Europe and the UK
- Maximise vending sales by adding more valuable items
