SPECIFICATIONS

Height: 540mm

Width: 150mm

Depth: 530mm (including pedal)

Weight: 3kg per unit

Capacity: 21 litres

The Sanicare features a slim, sleek design, making it an ideal solution for modern washroom environments. Available in White, Charcoal and Grey with a smooth gloss finish, Sanicare is manufactured using 100% recyclable material.

The Charcoal Sanicare is produced using recycled materials, providing a more sustainable option without compromising on quality or performance.

Designed with a front-facing trap, Sanicare can be positioned on either side of a toilet cubicle, offering greater flexibility and ease of use for both servicing teams and end users. The quick-release lid also ensures fast, simple and efficient servicing.

FEATURES:

- Made from 100% recyclable material
- Slim, space-saving design
- Front-facing trap for flexible positioning
- Charcoal option produced using recycled materials
- Quick-release lid for fast and easy servicing
- Integrated carrying handle
- Suitable for use with our antimicrobial sanitary liners
- Smooth interior finish for easy cleaning
- Additional carrying bracket available
